published by the Lekko Foundation in its magazine Lekko International for many years, but which unfortunately had to stop all activities at the end of 2019.

If you want to be kept informed of all kind of transactions in the field of towage and offshore vessels, please send an e-mail to wwtugosvnews@gmail.com and you will receive a free PDF document every two months in your mailbox.

Important notice:

While care is taken in the preparation of Worldwide Tug & OSV News the editors

can not accept any responsibility for the accuracy of data published.

The editors have attempted to contact all photographers to obtain permission to publish their photo's. In some cases this was unsuccessful because e-mail addresses were no longer up-to-date. Financial compensation has never been paid to any photographer. Should there nevertheless be any photographer who believe that they have been wronged, please contact the mentioned e-mail address.

The editors regrets that the e-magazine is unable to supply photographs published in Worldwide Tug & OSV News.
